FOR IMMEDIATE RELEASE

H2USA Hosts LA Investor Forum

Washington, D.C. (November 2, 2016) – H2USA is hosting a forum to brief investors on hydrogen fueling station network opportunities for fuel cell electric vehicles (FCEVs). Listen to presentations by representatives of the auto industry and the fueling network providers underscoring the importance of hydrogen fueling station networks to this growing market. Please join us at the forum which will be followed by a walking tour of the fuel cell vehicles showcased at the Los Angeles Auto Show.

Date: Thursday November 17th, 2016

Location: Los Angeles Auto Show, Los Angeles Convention Center

Time: 9:00 to 12:00 PM

For more information and to register contact Katy Knopp, kknopp@h2usa.org.

###

About H2USA

H2USA is a public-private partnership to promote the commercial introduction and widespread adoption of hydrogen fueled fuel cell electric vehicles across America. H2USA's mission is to address hurdles to establishing hydrogen fueling infrastructure, enabling the large scale adoption of fuel cell electric vehicles. For more information on H2USA, visit www.H2USA.org.
